Condé Nast Traveller

> We stayed 5 nights at Black Urchin (the entire property) with friends and family from all over the world, who travelled here for our wedding. It was the best week all of us have ever had. All the staff we dealt with were amazing - we had three events held and everything happened with ease and support. Badal and Shamar were so helpful for all our visitors. There were no other options like this in Cayman to host and accommodate our 60+ off Island visitors in a private setting. On top of that it was the most luxurious experience of our lives!
