85 Oceanfront Acres and One Mile of Beach

Coconut Bay Beach Resort & Spa ranks among Saint Lucia's top traveler-rated resorts on TripAdvisor and delivers a Premium All-Inclusive experience for couples' escapes, family vacations, multigenerational reunions, and destination weddings. Just five minutes from the International Airport (UVF), this independently owned and operated resort is ideally located for exploring Saint Lucia's most popular attractions. The adults-only Harmony wing offers fully renovated accommodations with modern bathrooms and stylish furnishings.

The family-friendly Splash wing features newly renovated Jr. Suites, Saint Lucia's largest waterpark with waterfalls, waterslides, a lazy river and the 50,000 sq ft CocoLand Kidz Klub. Both wings provide ocean views, private patios or balconies and access to extensive resort amenities.

There has never been a better time to visit the award-winning Coconut Bay Beach Resort & Spa in Saint Lucia. Over the past two years, the resort has invested $14 million in the complete transformation of all 250 guest rooms, creating contemporary Caribbean retreats. Following the complete renovation of the adults-only Harmony Wing in Fall 2025, the family-focused Splash Wing will debut its fully rebuilt accommodations in Fall 2026, featuring new furnishings, stylish new décor, enhanced lighting, and spa-inspired bathrooms. More than refreshed rooms, these thoughtfully reimagined Jr. Suites will elevate every stay with greater comfort, style, and functionality.
